

MY EQUIPMENT HAS ARRIVED, WHAT ARE THE NEXT STEPS?

- ✓ If a shipment is damaged when it arrives, you must sign “damaged” or “possible concealed damage” on the freight bill and make notes regarding the damage.
- ✓ Please look over your product BEFORE the truck leaves your address.
- ✓ Digital photos make filing a claim much easier.
- ✓ Please read all of the instructional and warning stickers before opening the package.
- ✓ Read all manuals and assembly instructions thoroughly before beginning to install your equipment.
- ✓ Ensure that your work space is prepared for the installation of the equipment.
